Alexandria, VA 22313-1450

Sir:

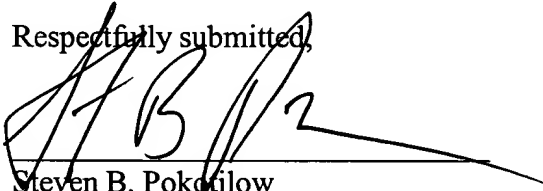

Kindly replace Sheets 1-11, Figures 1-11, as previously on file with the accompanying formal drawings consisting of Sheets 1-11, Figures 1-11.

Applicants received a Notice of Allowance and Notice of Allowability in the present application, both dated December 29, 2004, and a Notice Regarding Drawings dated February 28, 2005. In compliance with 37 CFR 1.84 and 37 CFR 1.121, enclosed herewith are eleven sheets of formal drawings to be substituted for the corresponding drawing sheets we originally filed on February 11, 2000 in the above-identified application. These new drawing sheets are free of extraneous copy marks, and show clarity of lines and characters. Applicants submit that no new matter is presented in those formal drawings and request that the Examiner enter the enclosed formal drawings as replacement drawings.

While no additional fee beyond that being paid by way of the accompanying Issue Fee Transmittal is deemed necessary, authorization is hereby given to charge the amount of any fee deficiency to deposit account No. 19-4709.

Early and favorable action is earnestly solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'S. B. Pokorski', is written over a horizontal line.
